

# East 9th

## An OPEN STREET Event

**Sunday, September 14, 2014 from 1:00 to 5:00 P.M.**

DSM Move is a Des Moines version of a national effort to promote Open Streets. These free events transform a city's largest public space — its streets — into an afternoon of car-free avenues for:

- |                |             |             |
|----------------|-------------|-------------|
| BIKES          | TRIKES      | FOOD        |
| INLINE SKATES  | HOPSCOTCH   | FOUR-SQUARE |
| SIDEWALK CAFES | ZUMBA       | JUGGLING    |
| STROLLING      | TAP DANCING | MUSIC       |

The DSM Move East 9th event is presented by the Des Moines Bicycle Collective and a partnership with Iowa Lutheran Hospital, and Capitol Park and Union Park Neighborhood Associations. Several activities are being planned for the south end of the event in the Penn Medical parking lot. This is a great fundraising opportunity for your organization, church, or non-profit!

We are currently looking for involvement from:

- |          |            |           |
|----------|------------|-----------|
| PARTNERS | SCHOOLS    | CHURCHES  |
| SPONSORS | STUDENTS   | NEIGHBORS |
| VENDORS  | HISTORIANS | MUSICIANS |
|          | VOLUNTEERS |           |
